

Graphics & Web Designer Diploma

Program Objective

This program provides students with the necessary skills to obtain an entry-level position as a Web Designer. Upon completion, students have the requisite skills to plan websites, compose web pages using HTML code and Dreamweaver, design interfaces and add images using Fireworks and Photoshop. Students also learn how to add elaborate features and animation to a website by using JavaScript and Flash programs.

Program Information

Start Date: Weekly

Length: 52 Weeks

Class Times: Flexible Hours - mornings, afternoons, evenings and Saturdays
*Online studies also available

Admission Prerequisites

- Grade 12 or equivalent
- Successful completion (at least 75%) of an entry test to determine general readiness for learning
- An interview with an admissions officer to determine the apparent appropriateness of training related to the potential student's needs and aptitudes

Financial Assistance

Students registered in the full-time and part-time programs may apply for financial assistance under the Canada Student Loan Act. In addition, students may be eligible for Service Canada Sponsorship.

Credit for Previous Training

Credit for previous training and education may be awarded to students who are able to successfully complete examinations, which demonstrate proficiency in specific skill areas.

Partnerships

Academy of Learning has a unique partnership with Sessions.edu Online School of Design.
